

Providence Alaska Medical Center Campus Map

Park on the 3rd Floor of the Visitor Parking Garage PS4. The skybridge access on the 3rd floor will access the 2nd floor of the cancer center. Turn left and follow that corridor to the elevator bank, just past the Creekside Cafe. If you prefer, there is a stairway on the left, just past Office U239. Take the stairway up and our office door will be on your right as you exit the stairwell.
